It has come to our attention that the Manassas Hamfest has also moved their Hamfest to our date. We have tried to work something out but have not been able to. We signed our contract with the Fire Company last year on Father's Day before we left the 2015 show. We understand that this WILL affect some of our vendors and attendees.

Therefore, for 2016 only WE are lowering our Tailgate prices to \$5, Admission will still be \$5.

We hope that this will help some of our vendors that would have attended both shows.
